the reuse of things that
used to be thrown away**

They usually end up here:

They are:

USED

→ Asker kommune sparer millioner på ombruk

I tillegg til en betydelig miljøgevinst har Asker kommune spart 16 millioner kroner på å bruke kontormøbler om igjen i etableringen av ny kommune.

Reuse does not mean your office has to look like a flea market

Trondheim municipality – started with the reuse of building materials in building up-keep, now expanding

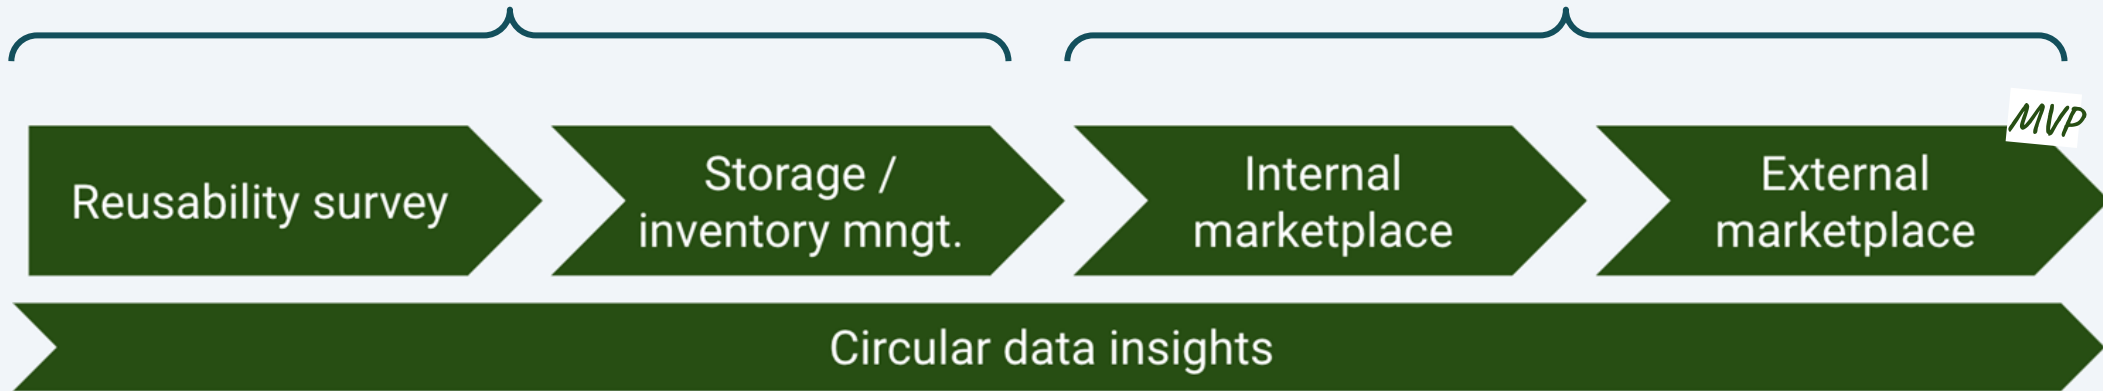

2 MNOK IN AUGUST

Before you buy something new,
reuse what you already have!

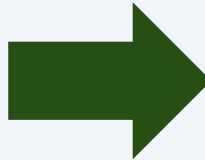

Loopfront.com - we help our customers solve two problems:

WHAT DO I OWN* (AND IS NOT IN USE) + WHERE IS IT?

HOW DO I EXTRACT THE VALUE?

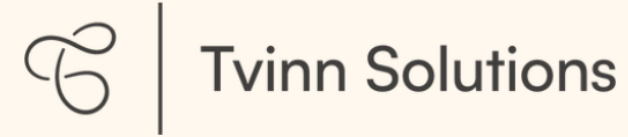

OVERVIEW

VALUE

Next step - reuse building materials in new build and renovation projects - BIM integration

The screenshot displays a BIM software interface with a 3D model of a building and a product information panel for a fire door.

Product Information Panel:

- Innerdør brandør**
1000 X 2100 mm
- Owner:** Trondheim Kommune
